

Cinderella

Family Ticket Order Form

Parents,

So that you and your children may come to the show each night without having to buy individual tickets for each show, we offer family tickets to the immediate families of our cast. These tickets will admit the same 2 adults and 2 children (under 12) to each performance. Please don't abuse this ticket - use it only for the immediate family members living in the home with the student who is in the play. UP Stage needs to sell lots of tickets at the regular price in order to break even.

Family tickets cost \$25.00 and must be ordered in advance. Please fill out and send in the bottom of this sheet with your \$25.00 by Tuesday, March 1 and your ticket will be waiting at the box office for you on opening night.

Thank you.
